Fee information & policy for funded placements - April 2023

***Please note the core funded hours we operate within each of our delivery models, along with any associated costs.**

Additional hours which fall outside of the delivery models for 2-, 3- & 4-year-olds will be charged at **£6.40 per hour**, e.g., morning and afternoon session length is 5 hours per session.

Therefore, an additional session would be charged at £32.00.

Should you arrive before the end of the session the full hours are still chargeable. The funding allocation we receive from the local authority is based on a maximum of 15 or 30 hours per week, across 38 weeks of the year. Additional attendance during the holidays will be calculated at 13 weeks per year. Lunches received during funded days will be charged at £3.00 per day. You do not have to opt for this charge as you have the **alternative option** to provide your child with a packed lunch.

All invoices will state the same payment to be paid each month/week. One free week at Christmas is included.

Nursery fees should be paid a month in advance by the 7th of the month or weekly if agreed. Invoices will be distributed in the middle of each month for the following month. Invoices will be sent by email.

Late payments will incur a £10.00 per week charge.

Absentee, holidays, bank holidays, sickness & extreme weather closures are payable.
